PRESIDENT'S MESSAGE

Ellen Eakin
President

Dear fellow Dallas Ski Club Members:

It is not long now until the start of our exciting 2016 skiing season! We had a great turn out at the trip sign up party at Blue Mesa in early August. The line up includes Park Cities and Quebec City in January, of course our annual Aspen trip in February and another wonderful trip to Vail in March. The barge river trips that we have been taking are so popular that we are offering two for 2016. The first trip will be to Holland the Rhine River Valley in April. The second is a Texas Ski Council trip and is a Bike and Barge trip down the Danube River.

Leading up to our exciting ski season, though...we have some fun events for our members and their guests. Our next Happy Hour will be September 1st. at The Addison Ice House. The next social event that has been quite popular is the Cool Thursday Concerts at the Dallas Arboretum on September 10th. The entertainment is A Hard Day's Night – A Tribute to the Beatles. Go to the Arboretum website to get your tickets and meet us there!

Lastly, in September we have our Kick Off Party at the beautiful home of Maureen and Hobert Murphee. This is always a wonderful event with good food, drink and music by Buzz Andrews. When you sign up for the Kick Off Party consider signing up for one of the volunteer slots on the website. We need help setting up, greeting, bartending and cleaning up. Remember, we are a volunteer organization and all your help is what makes our organization so fantastic!!!

Betty Graham did a wonderful job during our summer membership drive...the membership report I ran earlier today reported 465 members - which is fantastic this early in the year. Continue to bring your friends...tout our club on Facebook, Meetup, through your other clubs and social avenues. Dallas Ski Club is an amazing group!

I hope to see you at the next DSC event, and remember, as always...I am available for questions, suggestions or concerns from our members.

Warm Personal Regards,

Ellen Eakin

Bar Harbor, Maine Trip

Mitch Womble – Trip Leader

At “0 Dark 30” on the morning of June 26th, 14 DSC’ers departed DFW Airport on an AA flight to Bar Harbor, Maine via a stopover at Boston Logan Airport, where we connected to a Pen Air turbojet flight direct to Maine’s northeastern coast. All went well, and by 3:00pm we were loaded into a shuttle bus bound for the Atlantic Oceanside Hotel, which would be our home for the next week. The weather was beautiful....sunny and cool. Shortly after our arrival we were met by our Tour Operator, Scott Appleman, who arranged for a very nice Welcome Party of drinks and appetizers. He gave us a quick itinerary of the upcoming events he had scheduled for us, plus filled us in on the upcoming Maine weather that we were going to experience, and asked us to be flexible.

Everyone was on their own for Saturday morning because our first scheduled event, an outing on a 2 masted schooner, was not until 2:00pm that day. We all boarded the ship and sailed out over Frenchman Bay, passing the Porcupine Islands while getting a history lesson of Bar Harbor from a National Park Guide. By about midway through the 2 and 1/2 hour trip, some of the participants were wishing that they had brought some warmer clothes because even though we had another beautiful sunshiny day, with temps in the low 70’s, the water temp was around 54 degrees which chilled the air around us to a much cooler temperature. After we disembarked everyone scattered and did their own thing again, some hanging around the town, some taking buses, cabs, or rental cars to different destinations.

On Sunday we all awakened to a very cloudy, very windy, and very rainy and cool day. Needless to say our Puffin & Whale Watching Tour was cancelled for the day. So again, everyone was on their own for the day. I chose to ride one of the free buses into Acadia National Park, basically getting an idea of what all there was to do and see the rest of the week while there. I then scheduled my first of three Happy Hours that evening at Galyn’s Restaurant in town. We had a good turnout of 8 to 10 people.

On Monday, we were scheduled to go sea kayaking, but only 5 of us participated in this event. It seems that most of us were not up for getting out onto the cold water, so once again everyone else did their own thing that day, but many of us met for another HH that evening at another local bar/restaurant across from The Village Green, which is a beautiful downtown park, and gathering place for locals.

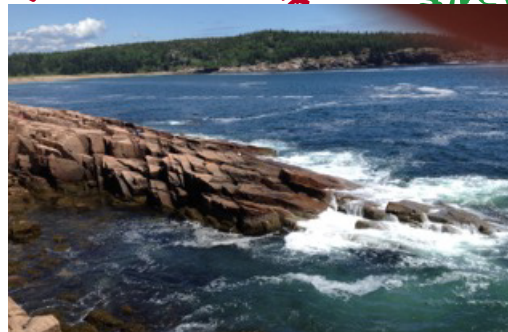

On Tuesday, we were once again scheduled to go on the Puffin & Whale Watch Tour, but again it was cancelled due to high waves. Many of us decided to then trade in our tickets for just an evening Whale Watch & Sunset Tour. The cruise went as planned, but unfortunately we did not spot any whales. Most everyone ventured down below deck after an hour or two because of the cool air and wind, but we did make a stop at one of the lighthouse islands, and some of us saw a few puffins in the water, as well as, hundreds of arctic terns, seagulls, and seals.

On Wednesday, we had our second cool, cloudy, and rainy day of the week. David, Marty, Lynn, and Donna rented cars and toured other coastal towns up and down the coast, as well as, Nova Scotia. Suzanne and Sarah took a cab to the top of Cadillac Mtn. to view the sunset at 1,530’ (the highest mountain on the East Coast north of Brazil). Later that afternoon, we celebrated our 3rd HH at a bar/restaurant called The Side Street Cafe.

On Thursday, we had our prettiest, and warmest day (81f), and everyone got up early to visit places we hadn’t yet, or to go back to places we wanted to spend more time at. Our intrepid hikers were Roland, Janet, Anita, & Pat. Pamela and I rented a scooter, and spent the afternoon riding “the Loop”, which was the main road around Acadia National Park. That evening we had our Farewell Dinner, which was a Maine Lobster Bake. Everyone ate their fill of mussels, lobster, corn on the cob, etc., finished off by delicious blueberry pie!

On Friday morning we had our final breakfast, then checked out of our comfortable hotel and headed for the airport for our long trip back to Dallas. Our flights went well, both going and coming back, so all in all, I believe that everyone had fun visiting all of the beautiful sights that Bar Harbor had to reveal. Many expressed interest in doing this trip again in the immediate future! Our condolences to those that were not able to make this trip with us.

BOARD OF DIRECTORS FOR 2016-2017

by Dick Gromel

As President Elect, I will be chairing the Nominating Committee to select a slate of officers for the 2016-2017 Board of Directors. This 8 person committee will include our current President, Ellen Eakin, plus past presidents and members-at-large. During October and November the committee will identify and create a list of Dallas Ski Club members to be considered for positions on the new Board of Directors. This committee will need your input and will consider all potential nominees. A proposed slate of officers will be announced in December. This proposed slate, as well as any floor nominations for officers will be voted on at the General Membership Meeting scheduled to take place at the January 2016 Happy Hour.

We have a Great Club; sixty years and counting. What makes it special are the members, old and new. What makes our Club function so well are the many members who willingly volunteer their time, energy, and many talents to serve, not just on the Board, but in many other roles as trip leaders, hosting parties, helping at happy hours and numerous other activities and social events throughout the year.

Now, here is your chance to get involved and help steer your Club in the right direction. If you are interested in serving on the Board of Directors or assisting in any other capacity, we are most eager to hear from you. Please email me at rgromel7@att.net or Ellen at eeakin@los-arboles.com

Last Day of Spring Party

Thomas Boyle (1933 - 2015)

BOYLE, Thomas Lee Passed away peacefully aboard ship in Willemstad, Netherlands on a Rhine River cruise on August 3, 2015. Tom was born on September 1, 1933 in Flushing, N.Y. He is preceded in death by his wife Marjorie Cramer Boyle, father Dr. Robert Driscoll Boyle and mother Blanche Bray Boyle. He is survived by brother Robert Bray Boyle and wife Helen Mason Boyle, son Thomas Lee Boyle, Jr. and wife Libby Fisher Boyle, grandchildren Sarah Cramer, Thomas James, and Ruby Catherine, nieces Margaret Boyle and Mary Bahr and husband Mark and their children Collin, Carson and Emily. Tom's family moved to University Park in 1936. Tom attended U.P. Elementary and the Texas Country Day School, then moved to Greenhill School to be part of their first graduating class in 1951. By high school, an ear for languages and summer travel had led to fluency in Spanish. After a stint at SMU where he pledged Delta Kappa Epsilon and made the diving team, he began a lifelong pattern of seeking foreign assignment work in order to travel. He worked in seismic exploration in Saudi Arabia and Venezuela before relocating to his beloved Mexico. He lived in Mexico City and was a sales executive for Warner Lambert. Travels led to west Texas, where he married Marjorie Ann Cramer in Midland in 1968. They then moved to Dallas, where he worked in sales for the printing industry. Following a layoff and the birth of Lee in 1971, he and Marjorie became self-employed investors. He obtained his real estate broker's license, and went back to college part-time at UT Dallas, completing his undergraduate degree in 1980. Tom loved to snow ski and was a long-time member of the Dallas Ski Club. He loved opera and listening to baseball games on the radio. He loved boating and fishing and his place at Lake Texoma and was a member of the Dallas Power Squadron. He took French and German classes. He loved promoting trade with Mexico and was a member of the International Good Neighbor Council. He had RVs, travelled the west, and even towed one to Baja in his 70s. Following the loss of Margie in 2002, he took cruises and travelled all over the world, often with cousins and adventure-buddies Ward and Margaret Wright of Ojai, CA. He never stopped loving and traveling to Mexico and spent a great deal of time in San Miguel de Allende in his last 10 years, where he volunteered as a docent on the weekly House and Garden Tour that supports the public library. Tom never lost his sense of curiosity. He studied Spanish to the day he died and always had his next adventure brewing. He had planned to sign up for French classes and was plotting a trip to Ronda, Spain for the whole family this coming year. Throughout his life and all over the world, Tom made lasting friendships. He was a helluvaguy and will be sorely missed by those who knew him. In lieu of flowers, the family would appreciate donations in Tom's memory to Texas Scottish Rite Hospital for Children. A memorial service was held at Saint Michael and All Angels on Friday, August 21, 2015 at 3:00 PM.
